

*Faculty of Engineering Technology*  
**Online Examination Time Table**

Year 2019/2020 (B1 & B2) – Semester 2 (S2)

Date	Time	Degree	Module	Module Code
2021.12.10	9.00 – 11.00	Mechatronics Technology	Strengths of Materials	MF204020
		Manufacturing Technology		
		Building Services Technology		
		Construction Technology & Resource Management	Construction Technology I	CT20603
2021.12.11	9.00 – 11.00	Construction Technology & Resource Management	Mechanics of Solids and Structural Analysis	CT20616
2021.12.12	9.00 – 11.00	Mechatronics Technology	Vector Analysis and Numerical Methods	SM204010
		Manufacturing Technology		
		Building Services Technology	Engineering Mathematics II	BS204101 / SM20480
		Construction Technology & Resource Management	Highway Engineering	CT20405
2021.12.17	9.00 – 11.00	Mechatronics Technology	Thermodynamics	MF204010
		Manufacturing Technology		
		Building Services Technology		MF204010/ MF20401
		Construction Technology & Resource Management	Water Resources Engineering	CT20417

*Faculty of Engineering Technology*  
**Online Examination Time Table**

Year 2019/2020 (B1 & B2) – Semester 2 (S2)

Date	Time	Degree	Module	Module Code
2021.12.20	9.00 – 11.00	Mechatronics Technology	Engineering Mechanics	MF204030
		Manufacturing Technology		
		Building Services Technology	Decision Making Techniques / Construction Technology II	BS204020 / CT20601
		Construction Technology & Resource Management	Introduction to Landscaping	CT20407
2021.12.21	9.00 – 11.00	Building Services Technology	Fluid Mechanics	CT20402
2021.12.26	9.00 – 11.00	Mechatronics Technology	Electronics Circuits	EE203020
		Manufacturing Technology	Engineering Measurements	MF203040
2022.01.02	9.00 – 11.00	Mechatronics Technology	Electrical Technology	EE204010
		Manufacturing Technology		
		Building Services Technology		EE204010 / EE20401
		Construction Technology & Resource Management	Estimating and Tendering in Construction	CT20608

*Faculty of Engineering Technology*  
Online Examination Time Table

Year 2018/2019 (B1 & B2) – Semester 6 (S6)

Date	Time	Degree	Module	Module Code
2022.01.07	9.00 – 11.00	Mechatronics Technology	Entrepreneurship Development (E)	MS602120
		Manufacturing Technology		
		Building Services Technology		
		Construction Technology & Resource Management	Entrepreneurship Development	MS30412
2022.01.08	9.00 – 11.00	Mechatronics Technology	Computer Aided Designing & Manufacturing	MF604041
		Manufacturing Technology		
		Building Services Technology	Quality Management in Buildings	BS604030
		Construction Technology & Resource Management	Project Management	CT60605
2022.01.09	9.00 – 11.00	Mechatronics Technology	Energy Management	EE604030
		Manufacturing Technology		
		Building Services Technology		
		Construction Technology & Resource Management	Highway and Railway Infrastructure	CT60606

*Faculty of Engineering Technology*  
**Online Examination Time Table**

Year 2018/2019 (B1 & B2) – Semester 6 (S6)

2022.01.15	9.00 – 11.00	Mechatronics Technology	Microprocessor Based Systems	EE603020
		Manufacturing Technology	Work study and Ergonomics	MF604030
		Building Services Technology	Building Control Systems	BS604100
		Construction Technology & Resource Management	Water Resources and Coastal Infrastructure	CT60607
2022.01.16	9.00 – 11.00	Mechatronics Technology	Operational Research	MF603050
		Manufacturing Technology		
		Building Services Technology	Building Management for Sustainability	BS604040
		Construction Technology & Resource Management	Highrise Buildings	CT60608
2022.01.21	9.00 – 11.00	Mechatronics Technology	Sustainable Consumption	MF602070
		Manufacturing Technology		
2022.01.22	9.00 – 11.00	Mechatronics Technology	Industrial Communication Systems	EE603040
		Manufacturing Technology	Environmental Management and Cleaner Production	MF604020
		Building Services Technology	Measurement Practice, Estimating & Procurement	BS606120

*Faculty of Engineering Technology*  
**Online Examination Time Table**

Year 2018/2019 (B1 & B2) – Semester 6 (S6)

2022.01.23	9.00 – 11.00	Mechatronics Technology	Project Management	MF604061
		Manufacturing Technology		
		Building Services Technology	Waste Management	BS602130
2022.01.28	9.00 – 11.00	Mechatronics Technology	Digital Control Systems	EE603050

*Faculty of Engineering Technology*  
**Online Examination Time Table**

Year 2019/2020 (B1 & B2) – Semester 3 (S3)

Date	Time	Degree	Module	Module Code
2022.01.29	9.00 – 11.00	Mechatronics Technology	Probability and Statistics	SM303010
		Manufacturing Technology		
		Building Services Technology	HVAC Systems I	BS304030
		Construction Technology & Resource Management	Building Services	CT30417
2022.01.30	9.00 – 11.00	Mechatronics Technology	Control Systems	EE304010
		Manufacturing Technology		
		Building Services Technology	Lighting Systems in Buildings	BS304010
		Construction Technology & Resource Management	Construction Economics and Accounting	CT30607
2022.02.05	9.00 – 11.00	Mechatronics Technology	Machine Design	MF304011
		Manufacturing Technology		
		Building Services Technology	Plumbing Technology	BS306050

*Faculty of Engineering Technology*  
**Online Examination Time Table**

Year 2019/2020 (B1 & B2) – Semester 3 (S3)

2022.02.06	9.00 – 11.00	Mechatronics Technology	Pneumatic and Hydraulic Systems	MF304020
		Manufacturing Technology		
		Building Services Technology	Electrical Installation Technology	BS304060
2022.02.07	9.00 – 11.00	Mechatronics Technology	Introduction to Robotic and Vision Systems	EE304020
		Manufacturing Technology	Mechanics of Materials	MF304040
2022.02.11	9.00 – 11.00	Mechatronics Technology	Introduction to Communication Systems	EE30303
		Manufacturing Technology	Materials and Inventory Management	MF303060
2022.02.12	9.00 – 11.00	Mechatronics Technology	Sensors and Actuators	EE304020
		Manufacturing Technology	Manufacturing Technology I	MF304031
		Building Services Technology	Ancillary Services in Buildings - I	BS306020
		Construction Technology & Resource Management	Application of Architecture and Urban Planning	CT30611

*Faculty of Engineering Technology*  
Online Examination Time Table

Year 2019/2020 (B1 & B2) – Semester 3 (S3)

Date	Time	Degree	Module	Module Code
2022.02.13	9.00 – 11.00	Mechatronics Technology	Electrical Machine and Drivers	EE304050
		Manufacturinn g Technology	Applied Thermodynamics	MF304050
		Building Services Technology	Building Acoustics	BS304040
		Construction Technology & Resource Management	Design of Structural Elements	CT30409
